## Health and Safety

If your child has any diagnosed medical conditions, additional information and medication will need to be provided before your child attends.

The PCYC OOSH Coordinator will review enrolments and will arrange a time to discuss the medical condition with you and in consultation, will develop a medical risk minimisation and management plan.

Once the plan is complete, the below will need to be provided before commencement. Failure to do so will result in suspension of your child's booking until the time that all required information and medication has been received by PCYC OOSH.

- ~ Medical Action Plan (if required)
- ~ Medication in the original packaging, clearly labelled with the child's name and dosage requirements and within the expiry date

Please ensure you complete your new enrolment, or update your existing records in a timely manner to allow time for development and processing of required plans and documentation.
