Introduction:

PCYC-Out of School Hours will provide and maintain a high level of care for children attending the service. The service will ensure that necessary educators will be suitably qualified in emergency first aid management and that first aid equipment and support will be available to all children, educators and visitors to the service and whilst on excursions. Ideally, all educators will undertake senior first aid, asthma management and anaphylaxis management training to ensure full and proper care of all is maintained (My Time Our Place 3).
